

EASYFORM

Traditional air / steam form finisher. Available with or without boiler.

Product codes: 5040, 5050, 5055

DESCRIZIONE: Range of traditional steam/air form finishers for jackets, overcoats, and similar items. Electronic control of finishing cycle time. Available with or without boiler. **MODERN** Easyform is modern technology applied to a traditional form finisher. The electronic control board allows to program and store common finishing cycles. **CONVENIENT** Easyform is designed for the operator's comfort. The blowing adjustment conveniently located on the front can be shifted with a foot. The pivoting console can be moved to the most convenient position. A single front pedal starts the cycle. **COMPACT** Easyform has small footprint of 41 x 112 cm. It is available for connection to central steam or with built-in boiler, either 7,5 kW or 15 kW. |
